INTRODUCTION

Mangalore University was established on September 10, 1980 to cater to the higher educational needs of Dakshina Kannada, Udupi and Kodagu Districts. The University Campus is situated in a picturesque location and is a major centre for advanced academic studies and research. It has been recently accredited by NAAC with 'A' Grade thus, became a premier Educational institution in the state.

Although Mangalore University is one of the youngest Universities in the country, it has within its ambit some of the oldest and prestigious institutions of higher learning. There are 25 post graduate departments in the University Campus offering 39 postgraduate courses along with this, P.G. Diploma in Yogic Science and Cyber Security, three months certificate course in Yogic Science and 1 month Introductory Course (Yogic Science I and II) are being taught. University College, Mangalore offers 6 Postgraduate courses and one year PG Diploma in Yogic Science; 3 months certificate courses in Yogic Science and in the evening college there are 3 PG courses, 2 Certificate and Diploma courses are being offered . Field Marshal K.M. Cariappa College, Madikeri offers 5 P.G. Courses. There are 2 postgraduate departments and 12 courses are being taught at P.G. Centre ChikkaAluvara, Kodagu District.

The University Campus at Mangalagangothri is located at a distance of about 20 Km. south-east of the city of Mangalore. The campus is spread over an area of about 333 acres and is on a high elevation overlooking the Arabian Sea on one side and the Western Ghats on the other. Since its establishment, the University has made considerable progress in the field of higher education and research.

The campus has hostel facilities both for men and women. The central facilities on the campus include a well equipped Library, Computer Centre, University Science Instrumentation Centre, Microtron Centre, Health Centre, Directorate of Student Welfare, Yakshagana Kala Kendra and Mangala Auditorium. An English Medium High School, Pre-University College, Degree college, Shopping complex and the University Employees Co-operative Society are located on the Campus. There are well furnished two guest houses on the Campus. A Canteen, Bank, Post Office, Transportation and other modern communication facilities are also available on the Campus. The Campus also has good facilities for Sports and Games.

Besides sports, short-term programmes for Staff and Students in Yoga are frequently conducted by the University. Lectures, workshops and training programmes are organized under different endowment chairs.

The co-curricular and cultural activities reflecting the multicultural ambience of the region are conducted on the campus. The Prasaranga unit is engaged in the dissemination of knowledge and a separate cell to cater to the needs of SC and ST students are housed on the Campus.

AUTHORITIES OF THE UNIVERSITY

The Authorities of the University are the Syndicate, the Academic Council, the Finance Committee, the Boards of Studies, the Faculties and the Planning, Monitoring and Evaluation Board. The University is governed by the Karnataka State Universities' Act, 2000.

CHOICE BASED CREDIT SYSTEM

The University Grants Commission, New Delhi, has directed all Universities in the country to implement the Choice Based Credit System (CBCS, Semester Scheme) all programmes and issued guidelines in this regard. Government of Karnataka has considered the implementation of CBCS. Hence, Mangalore University has framed Regulations based in UGC guidelines which will be introduced from the academic year 2016-17.

The Salient Features of the Choice Based Credit System (CBCS) (Semester Scheme):

Each course in a programme shall carry certain number of credits, which normally represent the weightage of a course and are a function of teaching, learning and evaluation strategies such as number of contact hours, the course content, teaching methodology, learning expectations, etc. In the proposed programmes, the credits shall be based on the number of instructional hours per week, generally 1 credit is equivalent to one hour of instruction in theory, or 1 or 2 hours of tutorial, or one and a half or two hours of practical/field work / project work / internship per week.

The other features of the CBCS (Semester Scheme) are;

- a) The P. G. degree programmes are structured on credit based semester scheme.
- b) The relative importance of subjects of study and activities are quantified in terms of credits. Total credit of the programme is between 84 to 92.
- c) Each programme of study will have "Core" and "Elective" courses. The Core course will further consist of "Hard" and "Soft" core courses. Hard core courses will have 3-5 credits while soft courses will have 3-4 credits.
- d) Two or more Open elective courses of 3 credits (Except programmes under Management discipline). each shall be offered in the II and III semesters by every Department . Open elective will be chosen from an unrelated programme within the faculty or across the faculty.
- e) The declaration of result is based on the grade point average (GPA) earned towards the end of each semester and the Cumulative Grade Point Average (CGPA) earned towards the end of the programme with corresponding alpha – sign grade.
