*32nd International Conference (IARPIC-2016) on
"Radiological Safety in Workplace, Nuclear Facilities and Environment"
Convention Centre, DAE Township, Anupuram, Tamilnadu
February 22-25, 2016*

CITATION

Indian Association for Radiation Protection has instituted a Felicitation Prize in 1987 in the memory of late Dr. Anil Kumar Ganguly to the scientists below 50 years of age for outstanding work carried out in the field of radiation protection / radiation in the environment.

The Dr. A.K. Ganguly Felicitation Prize - 2016 has been bestowed on

Dr. Y. NARAYANA

for his outstanding contributions in the field of radiation and environmental protection.

Dr. Narayana, after acquiring his M.Sc., has completed Ph.D in Physics from Mangalore University in the year 1994. He has also successfully completed Post Doctoral Fellowships in 2000 and 2014 at BGS, U.K. and University of Stirling, U.K. respectively on the research topic of Environmental Radioactivity. He has set-up an International standard Nuclear Counting Laboratory in the Department of Physics, Mangalore University for environmental radioactivity measurements. Dr. Narayana has carried out extensive radioactivity measurements in the south coast of India, and in the process identified a high background radiation area in Ullal near Mangalore. He has developed a theoretical model to study the radiation migration in soil based on radon emanation rates from soil. He has contributed significantly in generating baseline data on radioactivity in the environment of Coastal Karnataka, Kaiga and regions of Goa. He has carried out extensive research on speciation of radionuclides in the environment in UK under commonwealth fellowship during 2000 and under Wington Tiular Fellowship in 2014. He has over 85 research papers published in National and International journals and over 150 research publications in National and International conferences. Dr Narayana is an editorial board member of the Journal 'Air, Soil and Water Research' and is also an active reviewer for several international journals such as Radiation and Environmental Biophysics, Journal of Hazardous Materials, Environmental Research, The Science of Total Environment and Environmental Monitoring and Assessment.

Best Paper Award

Friday, August 31, 2018

Dear Dr. Preethi Keerthi DSouza and Ms. P.V.Sumitha,

Hearty congratulations! For bagging the **Best Paper Award** during ARC 2018 XI International Conference on Applied Research in Engineering and Management Sciences held at Bali, Indonesia!!!

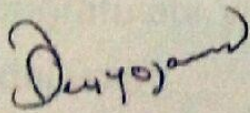

To honour your success, we would publish your paper titled "Voyage of Fish Trade among Fisherwomen: A Ramble from Conventions to Contemporary and beyond" at **free of cost** in any of our ACRPUB upcoming journal. Please send us your complete and final paper before 10 September 2018 to avail the offer.

At the outset, we also thank you for your active participation in our conference, which was a grand success.

Looking forward for your continuous support for our future conferences.

Keep watching www.arcconferences.com for updates.

Yours Faithfully

Jayaram

Sub: Your Selection to **Germany** for **03 months** under International Collaboration/Exchange Programme during 2019.

Dear Dr. Rani,

I am pleased to inform you that the Academy has short listed your name for your visit to above country under INSA Bilateral Exchange Programme-2019 with **100% travel support** (Air travel from Air India Economy class, Medical Insurance and Visa fee) from the Academy. The local hospitality and internal travel will be borne by the host Academy/Organisation in the above country. *Please note that the INSA nomination for your research stay in Germany is subject to peer review of the proposal submitted by your German host by the expert committees of German Research Foundation (DFG). The decision on each proposal is taken on the basis of the recommendations of the peer review committees set up by DFG.*

Your selection in the above programme is governed by the following terms and conditions:

- Form of Proposal and Certificate duly forwarded by Head of the Organization (one hard copy and the other through email) should reach INSA at least **three months** before your proposed visit. (INSA format Attached)
- Kindly send the acceptance of this offer within **10 days** failing which your candidature will be cancelled without assigning any reason and no correspondence in this regard will be entertained.
- Complete proposal should reach the Academy on or before **31 August 2019**, failing which offer will be made to the candidate in waiting list. Onward journey should be commenced on or before **December 31, 2019**. No request for extension in this regard will be entertained by the Academy.
- Please ensure that the dates indicated by you in your proposal are acceptable to your host and also your parent institute. No request of change of dates will be considered by the Academy.
- Your stay in foreign country should not exceed the period sanctioned by the Academy.
- **Please do not proceed to foreign country until you receive the Final Deputation Letter / Clearances from INSA which is subject to the acceptance by the host Academy / Organization.**

Kindly acknowledge the receipt.

Yours regards,

(S P Mishra)
